THE VIDEOKRAFTWAGEN FROM PANZERKABEL®

*With optional extension plate
for 75-inch monitor*

*Extension plate
for 75-inch monitor*

PANZERKABEL® offers a practical solution for the mobile installation of stage preview monitors with its **Videokraftwagen**. This is a rolling floor stand for stage preview displays. Products of this kind were previously unavailable for AV rental. The rolling stand weighs only 12 kg and folds down to a compact height of 21 cm for transport.

In the lower section, power distribution units or converter boxes disappear from view on the magnetic base plate. For further optical shielding, customized screens can be inserted. The tilt of the VKW is adjustable in four positions. Thanks to the Audipack mount, monitors with appropriate brackets can be mounted directly. The video truck supports monitors up to 55 inches as standard, and even up to 75 inches with an optional extension plate.

Dimensions Videokraftwagen (VKW)

with wheels and folded:

71,0 x 48,0 x 21,5 cm (L x W x H)

Dimensions Expansion plate: 50,5 x 22,0 x 2,0 cm

VKW with 43-inch monitor

VKW with 55-inch monitor

*VKW with 75-inch monitor and
Expansion plate*

THE VIDEOTISCHFUSS FROM PANZERKABEL®

Videotischfuss front

Videotischfuss side

The elegant and stylish Videotischfuss (VTF) is used for the secure mounting of monitors from 32" to 55" up to a maximum weight of 20 kg. It features an Audipack 5-pin receptacle, allowing direct attachment of 5-pin brackets. Brackets are optionally available from PANZERKABEL®.

The mounting plate for the Videotischfuss is made of V2A stainless steel, with basic dimensions of 30.0 x 30.0 cm. The vertical mounting plate can also be used as an adapter plate for the video cart. Felt glides prevent scratching of the table. Quick assembly/disassembly with just two screws is guaranteed.

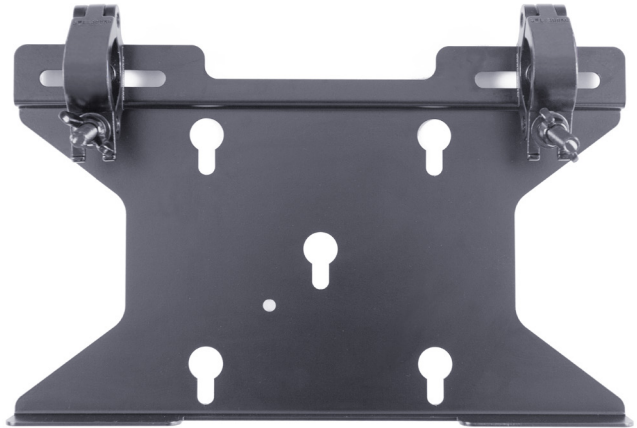

Planned and designed in Germany, manufactured in the EU European precision manufacturing.

THE TRUSS HOLDER FROM PANZERKABEL®

Truss holder front (Clamps are optional)

Truss holder behind

Truss holder on the truss, front

Truss holder on the truss, side
